## PORTUGAL

Within our ancient borders a lot awaits to be discovered. Up North enchanted hills and breath-taking landscapes. To the south, endless beaches and sun kissed valleys and plains. A visit to the inland with its timeless sceneries and unforgettable historical villages, will take you back in time. 900 years of Fascinating History, 300 sunny days per year and the warmth of a nation wait to be discovered. Breathe the essence of real Portugal and experience a truly genuine adventure.

## TOURS

We love nature, the natural environment and the freedom feeling of being outdoors. All trails were selected from our own personal experiences. We have walked each step, choose the most breath taking views, the tastiest local food spots and an array of off the beaten track secrets, traditions, customs and places. You will experience the pure, uncensored Portugal.

## HOTELS

Small hotels and unique charming addresses are part of the experience. The selection was made with passion, based on special qualities, magical details, and unique points. You will never forget the warmth of the hosts, the touch of love poured into the preparation of a meal and those deck chairs overlooking the infinite. Comfort is important but our collection goes way beyond that.

# OUR MISSION

Discover Portugal as a traveller, not a tourist. Your connection with the destination, its people, traditions, customs and history is our passion along with the utmost respect for the environment, historical sights and local community.
